

**I Love You More Than I Hate My Period
Say Anything**

Gm **Dm**
let me tell you about the love i have
Bb
cause it s growing by the moment
C
and i d murder you to hold his hand
Gm **Dm**
see i don t even know this boy
Bb **C**
but i want him so bad, oh so bad
Gm **Dm**
he s the singer of my favorite band
Bb
if i cornered him and locked him in a closet
C
he would understand
Gm **Dm**
take me away from my boring life
Bb **Cm**
to his promised land

CHORUS:

Bb **F** **Gm**
and his song is stuck in my head
Bb **F** **C**
his song is stuck in my head
Bb **F** **Gm**
as long as he s not poor or dead
C **F**
then i always shall remember him

Gm **Dm**
he s not like the other guys i meet
Bb
i m sure he s always keen to listen
C
and the words he sings so sweet
Gm **Dm**
are like the bible not a fable
Bb **C**
he d be willing to beat my ex-boyfriend up

if they should ever meet
Gm
and as i press repeat
Dm

in the snow and sleet

Bb

i do a lap around his block

C

and as i swoon i ll keep

Gm

my knife concealed

Dm

til the dream is real

C

and we share a suburban street

CHORUS:

lately i ve been wondering bout reverse psychology

F

C

and all the negative crap that it implies

Gm

Dm

like that i want what i want when i want it

F

Dm

and not when it s glimmering before my eyes.

Gm

Dm

lately i ve been wondering bout complex biology

F

C

like when a stork shows up on your roof

Gm

Dm

to bring you a lovely love child

F

Dm

bouncing boy to spell out the truth.
