

**I Love You More Than I Hate My Period
Say Anything**

Bm **F#m**
let me tell you about the love i have
D
cause it s growing by the moment
E
and i d murder you to hold his hand
Bm **F#m**
see i don t even know this boy
D **E**
but i want him so bad, oh so bad
Bm **F#m**
he s the singer of my favorite band
D
if i cornered him and locked him in a closet
E
he would understand
Bm **F#m**
take me away from my boring life
D **Em**
to his promised land

CHORUS:

D **A** **Bm**
and his song is stuck in my head
D **A** **E**
his song is stuck in my head
D **A** **Bm**
as long as he s not poor or dead
E **A**
then i always shall remember him

Bm **F#m**
he s not like the other guys i meet
D
i m sure he s always keen to listen
E
and the words he sings so sweet
Bm **F#m**
are like the bible not a fable
D **E**
he d be willing to beat my ex-boyfriend up

if they should ever meet

Bm
and as i press repeat
F#m

in the snow and sleet

D

i do a lap around his block

E

and as i swoon i ll keep

Bm

my knife concealed

F#m

til the dream is real

E

and we share a suburban street

CHORUS:

D **A** **Bm**

and his song is stuck in my head

D **A** **E**

his song is stuck in my head

D **A** **Bm**

and i ll chain him tight to my bed

E **A**

so i always shall remember him

Bm **F#m**
lately i ve been wondering bout reverse psychology

A **E**
and all the negative crap that it implies

Bm **F#m**
like that i want what i want when i want it

A **F#m**
and not when it s glimmering before my eyes.

Bm **F#m**
lately i ve been wondering bout complex biology

A **E**
like when a stork shows up on your roof

Bm **F#m**
to bring you a lovely love child

A **F#m**
bouncing boy to spell out the truth.

Chorus

D **A** **Bm**
his song is stuck in my head

D **A** **E**
his song is stuck in my head

D **A** **Bm**
i will fill his heart and soul with lead

E **A**
so i always shall remember him

D **A** **Bm**
his song is stuck in my head

D **A** **E**
his song is stuck in my head
