I Want To Know Your Plans Say Anything Intro: G C Em D x4 C D C Em I want to know your plans C and how involved in them I am. C Em When I go to sleep for good G D will I be forgiven? \mathbf{Em} And If you want roses C D you can go buy a bouquet. C G Em If that just won t cut it, C D C Em C well what can I say? Em You re what keeps me believing the world s not gone dead, G Strength in my bones put the words in my head. Em C G D When they pour out to paper, it s all for you. C Em D Cause that s what you do. C Em That s what you do. and it continues for the rest of the song except this part Em C No more fighting. D this is only a waste of our time cause soon we ll be leaving. С

G C Em D G C Em D I ll look out for you til I die, til I rot.

(little filler part is always the same as intro, G C Em D)

Will this strength still be mine?

standard tuning should work. sorry if its off. its my first tab. theres probably some definite errors.
