Little Girls
Say Anything

This is my first tab and it s all by ear but I think it close. If you find any
corrections e-mail me brodie_27@hotmail.com. Max Bemis (Vocals/Guitar) tends to
use some strange chords sometimes but I play this song acoustic so I just used
simple chords.

G   **B**   **C**   **G**
I kill, kill, kill little girls.
G   **B**   **C**   **G**
I kill, kill, kill little girls.
    G   **B**   **C**   **G**
It s such a thrill, thrill, thrill to the world
G   **B**   **C**   **G**
when i kill, kill, kill little girls.

Chorus
N/**C**   **Em**

```
Don t you come near me.
      C        G
Don t you come close to me.
Am           Em
Why don t you fear me?
      C        G
Don t dance so close to me.
Am           Em
Don t you come near me.
      C        G
Don t you come close to me.
        A5                  C5        D5
Because they wont let me stop now.

G             B    C      G
I hate, hate, hate what you are. (You re so pretty when you fly right by.)
G             B    C      G
I hate, hate, hate what you are. (I want to flush out your family line.)
G                   B    C    G
Cuz i m the punk rock, punk rock star! (You re everything I despise.)
G             B    C      G
I hate, hate, hate what you are.

Am (quick)      Em
Don t you come near me.
      C        G
Don t you come close to me.
Am           Em
Why don t you fear me?
      C        G
Don t dance so close to me.
Am           Em
Don t you come near me.
      C        G
Don t you come close to me.
        A5                  C5        D5
Because they wont let me stop now.
        A5                  C5        D5
Because I wont stop can t stop now.

C5        E5              D5
The last 12 hours of my day,
D5
but it s okay,
C5   E5      D5        D5
just black it out.
C5        E5          D5
Keep the theif in my pants?
D5             C5       E5
forever fearing contact.
```

```
D5      D5
Woah, yeah!

  C5              E5              D5          D5
Woah! Now_____ I_____ know
     C5    E5        D5          D5
why_____ I wanna be left alone.
C5        E5          D5
Last 12 hours of my day,
D5
but it s okay,
C5    E5          D5          D5
just black it out.

(Distortion off)
        Em
I m a psycho!
C G
Woah!
