Say Anything

F# **B** **C#**
Your former men would lie and steal to keep things on and even kill
F# **B** **C#**
Like My name is max i ve only been in bed with one or two women
F#
But not with you the way you breath
 B **C#**
the way you bleed and brings out that something in me
F#
i hold the door if you should leave
B **C#**
but please just come on and sing these words with me Uh!
F# **B** **C#**
No games No games I don t wanna play you now
F# **B** **C#**
No games (No games) No games I don t wanna play you now

The rest is just repeating those 3 chords. Enjoy!
