G **D**
They take advantage of him all of the time
Em **C**
Their fingers rape his cavities
G **D**
Probing for a hidden cliché
Em **C**
He's a fruit that got in gravity's way
G **D**
He's the first to tell you he's full of shit
Em **C**
Like that's half a compliment for men
G **D**
Though he's waking up in puddles of piss
Em **C**
He marinates his metaphors in them

B
And in this moment
G **D** **Em** **C** **G** **D** **Em**
La, lalaladada, lalaladada, lalaladada
C
They'll be falling in love
G **D** **Em** **C** **G** **D** **Em**
La, lalaladada, lalaladada, lalaladada

G **D**
 She takes photographs of people she knows
Em **C**
 She brings out the best and worst in them
G **D**
 And God is buried deep in the folds
Em **C**
 Of her fractured self and the lies that they ve told
G **D**
 She used to laugh at everything old
Em **C**
 It was a joke that never aged a bit
G **D**
 But when they robbed her of her infinite smile
Em **C**
 She said maybe I ll just play dead for a while
B
 And in this moment
G **D** **Em** **C** **G** **D** **Em**
 La, lalaladada, lalaladada, lalaladada
C
 They ll be falling in love
G **D** **Em** **C** **G** **D** **Em** **G**
 La, lalaladada, lalaladada, lalaladada

Em D Csus G Csus

Em D Csus
 Your my wish
G Csus D G
 When I touch my self I am conjuring you
Em D Csus
 For fresh dirt
G Csus G D
 when we talk all night and the minutes are free
Em D Csus G Csus D G
 I just hope when I cast my spell you ll be falling for me
