

**Thoughts On A Liberal Education
Say Anything**

The other chords were good, but needed a little tweaking, so here is what I think it should be
~Belle

E G x4

E **G** **E** **G**
I ve been waiting for years for this to end
D

But now you re gone and
C **E**
I don t know where I am.

E **G** **E** **G**
Put my head in the books I burn for you
D

They ll revive me.

C **E**
That s what they ll do
C **G**

I ll silence you
D

With sex and drugs and education
C **G**
Murder you

D
In mind and heart for all you put me through
C **G** **D**

This is my last song for you

Cadd9 **E**
I will not be your number two.

E **G** **E** **G**
And I ate poison growth with my new friends
D

And it was awkward

C **E**
To watch the colors bend

E **G** **E** **G**
As I laid on the ground and drooled and sighed
D

I thought of you, love,

C **E**
And how hard I tried

C **G** **D**
To silence you with sex and drugs and education

C **G** **D**
Murder you in mind and heart for all you put me
C **G** **D**

This is my last song for you

Cadd9 E

I will not be your number two

C G D

I'll silence you with sex and drugs and education

C G D

Murder you in mind and heart for all you put me through

C G D

This is my last song for you oh

C G D

This is my last song for you oh

C G D

This is my last song for you

C E G E

Baby I won't be your number two
