Miss You Now
Say Chance

Miss you now â€" Say Chance

Capo 6

Intro:

C/A: X0XX01X
C/F: 1XXX01X
C/E: 0XXX01X

Just do the picking in the first part and strum the chorus

C/A   C/F   C/E   (C/D)
C/A   C/F   C/E   (C/D)
C/A   C/F   C/E   (C/D)
C/D   C/E   C/F

C/A   C/F   C/E   (C/D)
Can you feel my heart?
C/A   C/F   C/E   (C/D)
It s too weak to start.
C/A   C/F   C/E   (C/D)
I ll never be the same
C/D   C/E   C/F
Once we part.
C/A   C/F   C/E   (C/D)
If I could count the times you ve crossed my mind,
C/A   C/F   C/E (C/D)
it d be one.
 C/A   C/F   C/E
 Cause you won t ever get too far away,
C/D   C/E   C/F
We ll never be done.

coro:
C   F   Am
When did we start running out?
        G
Time is so impatient.
C   F   Am
Now the moments all run short.
            G
Here s just one more wasted.

C/A   C/F   C/E   (C/D)
Did you feel that spark?

```
C/A    C/F    C/E          (C/D)
Words lost in the dark.
C/A    C/F    C/E          (C/D)
Paint that smile on me,
C/D    C/E         C/F
and please don t go so far.
C/A    C/F    C/E          (C/D)
And I will count the days  til you return.
C/A    C/F    C/E          (C/D)
Can you hear me?
C/A    C/F    C/E          (C/D)
They say I ll be happy once I m on my way,
C/D    C/E         C/F
But it s hard to believe (hard to believe).

coro 2:
C         F                  Am
When did we start running out?
         G
Time is so impatient.
C         F                  Am
Now the moments all run short.
           G
Here s just one more wasted.

Am         F                    C
I have fallen, thought it was wrong and
            G             Am
I gave you everything I had.
                F               C      G
But when did we start running out?

I already miss you now.

Ponte:
Dm                F
And it feels so worthless
C
Just to wake every morning
G
To find another day has passed.
Dm                F
And it s only worth this
C                        G
If you wanna love me enough
             C
To make this last.

(coro 2)

C         F                  Am
When did we start running out?
         G
```

```
Time is so impatient.
C         F                    Am
Now the moments all run short.
            G
Here s just one more wasted.

Am          F                      C
I have fallen, thought it was wrong and
            G               Am
I gave you everything I had.
                F                 C
Will you keep it cause I dont need it
G
With nothing to hope for

I dont wanna miss you.

C/A    C/F    C/E          (C/D)
C/A    C/F    C/E          (C/D)
C/A    C/F    C/E          (C/D)
```
