Dimensions And Verticals Say Hi to Your Mom

Intro: **D F#** x4

D F#

Lets say the world was a legal pad

and everything was two dimensional.

G

But somehow you were the third coordinate

Bm A

and you were towering over our college rule.

G

Would you draw me with your pencils and your pen,

3

make me much prettier than I really am?

And could you draw us with some picture perfect friends

Bm A/C#

if I chipped in for the ink?

) I

Lets say you spilled all your coffee

D F#

on us while you weren't looking.

G A

And all our world was stained, awake and drowned.

Bm A

And all your doodling looked pretty foul.

G

Would you draw me air bubbles so I could breathe?

G A

Or at least some chlorophyll making trees?

G A

If I got erased would you even still love me?

Bm A/C#

Or would you just draw yourself another he?
