D	-----	
A	-----	
E	-----	

VERSE:

D
And whats that saying again,

They re only words

A

and words can t kill me

D

Well, I can t even spell them

A

and cadence to what she says is well

CHORUS:

A **F#m**
Let s talk about spaceships,

D

or anything

A

except you and me

E

Okay?

F#m

Let s talk about spaceships,

D

or anything

A

except you and me

E

Okay?

D

Okay.

VERSE:

D

And don't look now,

A

But there's a spider crawling on the wall behind you.

D

A

I should have paid attention in algebra.

And then just repeat the chorus till the end of the song. Haffun. :)
