

The Stars Just Blink For Us
Say Hi to Your Mom

Am C G F
My girl oh well she drives me where I need to go

Am C G F
She needs some and she s got a gun

Am C G
F
Sometimes when we play games she cheats and I let it go

Am C G F
I m the most lucky man I know

G
Oh and the stars, oh

Oh and the stars

F C
Well- they don t make no fuss

Oh and the stars, oh
Oh and the stars
Well they just blink for us

My girl oh well sometimes it just don t add up
She says she s here but I know she isn t
And she talks a lot and I doze out it works out pretty fine
She s got the looks and I ve got the time

Oh and the stars, oh
Oh and the stars
Well they don t make no fuss

Oh and the stars, oh
Oh and the stars
Well they just blink for us
