## The Day After Tomorrow Saybia

[Intro]

 $\mathbf{Bm}$   $\mathbf{G}$   $\mathbf{A}$   $\mathbf{E}$   $\times 2$ 

[Verse 1]

F#m A

Please tell me why do birds

) A

sing when youre near me

D F#m G E

sing when youre close to me

F#m A

they say that im a fool

D A

for loving you deeply

D F#m G E

loving you secretly

## [Chorus]

Bm G

But i crash in my mind

A E

whenever you are near

Bm G

getting deaf dumb and blind

A E

just drowning in despair

Bm G

i am lost in your flame

A I

its burning like a sun

Bm G

and i call out your name

A

the moment you are gone

F#m A

please tell me why cant i

D A

breathe when youre near me

D F#m G E

breathe when youre close to me

```
F#m
                             Α
i know, you know im lost
in loving you deeply
                F#m G
loving you secretly - secretly
s? spiller du omkv?det og s?
[Bridge]
 Em
Tomorrow
                                                    Bm
(say it all tomorrow) ill say it all tomorrow
                                                         Lidt usikker her,
men pr?v (320100 EL 3201xx)
(say it all tomorrow) or the day after tomorrow
                                                  Bm - A
(say it all today) im sure ill tell you then
Soloen kan komme til at lyde udem?rket hvis du bare
spiller omkv?dets akkorder.
Slut af med:
[Chorus]
Е
                        Bm
     the moment you are gone
Е
     the moment you are gone
```

[Outro]

G A E
