SayWeCanFly

if you want to keep the guitar in standard tuning, transpose -5 and put the capo on 4.

[Intro]

G Bm Em D

[verse]

G

Maybe I will never know you

Bm

But I still feel like I know you

Em

I could have sworn that you were right there

Bm

In the room with me tonight

[verse]

G

I don t know what I m so afraid of

Bm

Maybe it s loneliness

Or maybe it s the pain of

Em

Growing up so fast

D

I know the moments never last

[chorus 1]

G

Late at night when I can t sleep

Bm

Because I drank too much caffeine

Em

I stay up so I won t have to wake up

Bm

With no one next to me

G

But I find beauty in the darkness

Bm

Cause what else am I to do?

Em

When I hear you speaking softly

D

I know that you can see the beauty too

G Bm Em D

[verse]

G
Maybe I will never know why
Bm
Everything feels like it s crashing down at midnight
Em
The moonlight is so bright
But I just don t feel right
Bm
Until I listen to you telling me it s alright

[verse]

G
I was unaware of you
Bm
You were unaware of me of too
Em
Maybe in another life
Bm
You weren t so far away

[chorus 2]

G
Early in the morning
Bm
When I wake up I need caffeine
Em
I drift off into a world where I
Bm
Can just tell you my dreams
G
Because I think you d understand them
Bm
And the universe in me
Em
But even if I never know you
D
You re my candle
When it s too dark to see

G Bm Em D
