

Wildfire

SBTRKT

These chords do not go with the original tune, but I found that they go well with

a cover version. Use your imagination and have fun! :)

Am **E** **D7**

I could bet all the riches that I ever had.

Am **E** **D7**

Rush in the night like a shock, babe, would it be bad?

If I had to-

Am E D7
set the alarm cause those thrills that run up my back.

Am **E** **D7**
You re my star nothing else can lead me off track.

```
*one strum
```

*Am

Hey-

E D7

You re like a wildfire.

D7 **Am**

You got me rising hot.
(pause)

Am
Your innocence-

E
Who s the brave?

D7
Drowning in,

will you save me?

Am
It s a crime-

E
if you don't.

D7
You re the spied-

by the throat.
(repeat chorus)

Thanks! :)
