Em **D** **G G**
 There are times you look forward to whatâ€™s cominâ€™

Em **D** **G**
 There are times to look back upon the past

Em **D** **G** **G**
 From when youâ€™re born till the day that you are dyinâ€™

C **D** **G** **G**
 You always hope that the good times last

And you know youâ€™re sailinâ€™ the Titanic
 Yeah you know in the end thereâ€™s the sea
 No reason why you should start a panic
 â€™Cause you found out this is the place to be

C **D**
 Maybe I donâ€™t let it show honey

C **D**
 Maybe you donâ€™t even know

Em **D** **G**
 But if you would put two and two together

C **D** **G**
 Youâ€™d know I got four aces in a row

One day you find your dog days are over
 You realise a lot is left for you to do
 And you try not to look over your shoulder
 Ah but you will cause thereâ€™s chances that you blew

Repeat chorus

Maybe I donâ€™t let it show honey
Maybe you donâ€™t even know
But if you would put two and two together
Youâ€™d know I got four aces in a row
You got â€™em too cause you harvest what you sow
Life is a stake on a single throw
