

**Sun Also Rises**  
**Scalene**

[Intro] **Cm**

**Cm**

It s kind of hard to wish you well

**Ab**                    **A#**                    **Cm**

But its kind of hard to wish you not

Play you cards, but play them well

**Ab**                    **A#**                    **Cm**

Cause I know this game of yours its poison

**Cm**

We have been wrong when saying we

**Ab**                    **A#**                    **Cm**

Are just another ship thats been off shore

**Cm**

Cause Id say through all the storms

**Ab**                                    **A#**                                    **Cm**

We have managed to turn into something more

( **Eb F Cm** )

**Eb**                    **F**

And like old times, we should not care

**Cm**                                    **Eb**                                    **F**

About others say or do, cause in the end

**Cm**

My poison is you

( **Ab Cm** )

**G**    **A#**                                    **F**

How long can we keep on living like this?

**Cm**

How long?

( **G A# F** )

( **Ab A#** )

[Solo] **Cm Ab A#**

**Eb**                    **F**

And like old times, we should not care

**Cm**                                    **Eb**                                    **F**

About others say or do, cause in the end

**Cm**

My poison is you

[Final] **C#**
