C#m

As an outcast I paced defeat
Seeking comfort in this painful retreat
Made an oracle against my will
Word spread of miraculous skills

D F#m D
Premonitions call my name
F#m E D
I once doubted them all when they came
F#m B7 G#7
Now I embrace it and I ll never be the same

C#m

Transfixed in the desert sands
Take a look at my once empty hand
See the rose that appears so real
Just like the one you saw in your dreams

F#m A Bm
Those who call me avatar
G F#m
Know not what they re looking for
B7 C#7
They just feed their flames with miracles
F#m
Just so you know
A Bm
If you bathe within my light
G F#m
You diminish your own might
B7 C#7
The illusionist in everyone
