G

Falling down, falling down

You forget all the roses

Don t come around on Sunday

She s not gonna choose you

For standing so tall

Go on and take a swig

Of that poison and like it
And don t ask
For silverware
Don t ask for nothing
Go on and put your ear
To the ground
You know you will be
Hearing that sound
Falling down
You re falling down
Falling down, falling down
Falling down, falling down

When you re falling down Falling down, falling down

Go on down and see That wrecking ball Come swinging on along Everyone knew That hotel was a goner They broke all the windows They took all the door knobs And they hauled it away In a couple of days Now someone yell timber And take off your hat It s a lot smaller down Here on the ground You re falling down Falling down, falling down Falling down, falling down Falling down

Someone s falling down Falling down, falling down Falling down, falling down Falling down

Hope you all enjoy this chord and please feel free to post any suggestions or anything!
