Star Crossed - Scary Kids Scaring Kids

My version for acoustic, without the overlapping lyrics

This is the 4 chord, super easy version :) capo on 2nd

Am C F E

Am C E F

Am C F

Am C  
Star crossed lovers

F  
They say we re not meant to be

Am C F  
Cause the stars in the sky, and the fashion that they are aligned.

Am C E F  
I say if the futures been drawn out there s no point in living.

Am C F  
I wont give up my love so that fate can have its way.

Am C  
If the stars say that you couldn t love me,

F E  
Are you telling me that you would listen?

Am C  
If the words make their way from your mouth,

F  
Donâ€™t ask my permission,

E  
All is forgiven.

Am C F  
Star crossed lovers, we do what we want to.

Am  
Some learn the hard way,

C F  
We all learn through consequence.

Am C E F  
I say if the futures been drawn out then nobodyâ€™s living.

Am C F  
I won t give you up love, so fate can have its way.

E

Its way.

**Am** **C**  
If the stars say that you couldn't love me,

Are you telling me that you would listen?  
**Am** **C**  
If the words make their way from your mouth,  
**F**  
Don't ask my permission,  
**E**  
All is forgiven.

**Am**  
Is it over?  
(this fire keeps on burning out)  
**C**  
Is it over?  
(and you'd really listen?)  
**F**  
Is it over?  
(The stars keep this fire)  
**G**  
Is it over?  
(The stars keep this fire)
