

**The World Is Gonna End Tonight
School Is Cool**

F

I think you need a little helping hand

Am

to get you back in line,

Am

C

don't think I don't know you're stranded.

F

I don't believe in a personal God:

Am

C

how come, when he says he loves me, he makes me ugly?

F

Am

I got it from good source, say your prayers and goodbyes,

C

the world is gonna end tonight.

F Am C

F

I hope your friends have gotten over this,

Am

C

I know when you got troubles you just tell it like it is.

F

It's not the same for The Man Without Heart,

Am

C

he just sits around while the room falls apart.

F

Am

It just goes to show but not by a long sight,

C

that the world is gonna end tonight.

F

I know that it's hard but no, we're not stuck

Am

C

with a lot of determination and a bit of luck

F

we'll just wrestle each other to the break of day

Am

C

and then I'll give up, and that's OK

F

and then we'll stay together for fifty-odd years,

Am

but not quite

C

cause the world is gonna end tonight.
