Subject: CRD: Kerosene by School of Fish

Thou taketh, thou shall giveth back or whatever

Kerosene
by School of Fish

That riff:

B---4---7--9-----

Verse:

G# **F#** **D#**
Now there s nowhere left to go cause I know how it should be
Something lit up in the back of my head for a minute I could finally see
It went dark again, now that s where I am but I m not here at all

Chorus:

B C
Kerosene
Kerosene
Lit you up and
F# G#
Left you clean
F# G#
Kerosene
B C
Kerosene
Kerosene
Lit you up and
E* C
Left you somewhere

*play it as 5th string barre chord

Hopefully that is at all legible

More verse:

Useless as a wishing well, when I try I always get it wrong
Tied to everything I already know, blind to any kiss from beyond
Built a room in the sky, a window on the floor, but it was nothing like before

Chorus (same as before)

Bridge:

B **E** **C#**
I can t believe it s come to this I chased the view right off the cliff

B E C

Verse:

The moment s come and gone and I still don t understand
Even though I know it s where it was
Sleeping in my empty hands

Chorus

Bridge chords

I know where I should be when I m where I should be

etc.

Slow part is B E C too.

That little intro to the slow part is:

G-----6-----|
D-----4--2-----2--4b--2--6-----|
A--2-----4--2--2-----4-----|
