Subject: CRD: Take Me Anywhere by School of Fish

Nobody requested it but if anybody cares, it is a great song by a very cool band

Intro: (play as 2nd position barre chords--i.e. F = G--10----|
D--10----|
A--8----|
E---x--

F D GFDC GFDC GFDC
(second guitar chimes in on F)

Verse: all barre chords

G **A** **F** **C** **F**
Scenes move by, days drag on I m only killing time
Boundaries, fences, and illicit instructions obstructing what is mine
You remember, you were there and I was there myself
Do you know do you care? Is it just a memory?

Chorus:

E **D** **F** **C** **F**
And I can t stop what I can t see. Take me anywhere

back to intro

then verse

Takes to long to see a change that s different than before
So take me in or leave me cold I m not waiting any longer
And I got a head full of something that s more than I could dare, than
what I wanted to.
And I could try to convince me my heart can escape from what it has begun

Chorus

I can t stop what I can t see, take me anywhere
And I can t stay where I can t sleep Take me anywhere

bridge:

G CF CG CF(2nd position) X2

Chorus

intro part

G into the part at the end
which is

G F C

I got a hold on you
I can t let go of you
(something) hold on you
There s nothing that I can do
