

**Filthy Gorgeous**  
**Scissor Sisters**

I looked at the bass tab for this and it doesn't sound anything like the song lol (sorry the tabber but it just doesn't!!!)  
Anyway here is my version of the tab and it sounds pretty much perfect.

h = hammer-on: e.g. 1h2  
/ = slide: e.g. 1/2  
p = pull-off e.g. 2p1

The guitar doesn't play in the verse, maybe a few little riffs in between but no serious tab.

Chorus:[x2 for each one](I know it looks abit weird on the first bit but the 10s made notes look like they were in the wrong order.)

```
e-----|
b-----|
g-----|
d---10-7--8--9--10-7--8--9--10-7--8--9--10-7--8--9---|
a-----|
E--8--5--6--7--8--5--6--7--8--5--6--7--8--5--6--7---|
```

Then this (still chorus.)

```
e-----|
b-----|
g-----|
d-----8-----|
a-----8-8h9p8-8-----8-8h9---9-x-8-----|
E--8-8-11-----x-11-8-8-11-----11-8---|
```

That's all the guitar does.

Any corrections are welcome so if you have any email me at:  
\*.
