Cities come and cities go just like the old empires
When all you do is change your clothes and call that versatile
You got so many colours make a blind man so confused
Then why can t I keep up when you re the only thing I lose?

II.
So I ll just pretend that I know which way to bend
And I m gonna tell the whole world that you re mine
Just please understand, when I see you clap your hands
If you stick around I m sure that you ll be fine
