

Return To Oz  
Scissor Sisters

(intro) C#m

C#m

Once there was a man

who had a little too much time on his hands

he never stopped to think that he was getting older.

C#m

When his night came to an end

He tried to grasp for his last friend and pretend

That he could wish himself health on a four leaf clover

C

He said is this the return to Oz?

The grass is dead, the gold is brown and the sky has claws

There s a wind up man walking round and round

What once was Emerald City is now a crystal town

C#m

Its three o clock in the morning

You get a phone call from the queen with a hundred heads

She says that they re all dead

C#m

She tried the last one on

It couldn t speak, fell off

C

And now she just wanders the halls

Thinking nothing, thinking nothing at all

C

He said is this the return to Oz?

The grass is dead, the gold is brown and the sky has claws

There s a wind up man walking round and round

What once was Emerald City is now a crystal town
