Oh, I was a real man stealing all the trade
I was strong and self-made, well-paid, so groomed, persuasive
You were walking home that night, too kind to be illusive
Where do you live? What do you give? Who are you with?
And how you getting home?

Does everybody know right now exactly where you are? Woah Step inside s a step too far but

Sex and violence

And one is just the other

Violence, violence
