

**Maybe Tomorrow The Littlest Hobo
Scooch**

Theme Tune for The Littlest Hobo

Intro: **F**

There s a voice that keeps on calling me
Down the road is where I ll always be
Every stop I make, I ll make a new friend
Can t stay for long, just turn around and I m gone again

Maybe tomorrow, I ll wanna settle down
Until tomorrow, I will just keep moving on

Down this road, that never seems to end
Where new adventure, lies just around the bend
So if you wanna join me for a while
Just grab your hat, come travel light
That s hobo style

Maybe tomorrow, I ll wanna settle down
Until tomorrow, the whole world is my home

So if you wanna join me for a while
Just grab your hat, come travel light
That s hobo style

Maybe tomorrow, I ll wanna settle down
