## Scorpions

A Moment in a Million Years

Tune ? lower

Intro

**Dm** **Am**  
The lights are slowly fading down  
**F**  
There s no one else, just you and me  
**E**  
Nothing ever changed  
**Dm** **Am**  
I see your faces in the crowd  
**F**  
It seems I know each one of you  
**E**  
For all my life  
**F**  
I wish this night could last forever  
**F** **G**  
But it s time to go  
**Dm** **Am**  
I saw you laugh, I saw you cry  
**F**  
All for one and one for all  
**E**  
Nothing ever changed  
**Dm** **Am**  
The way you sang just blew my mind  
**F**  
It gave me chills from head to toe  
**E**  
What a glorious night  
**F**  
To me it could have lasted forever  
**F** **G**  
But it s time to go  
          **G#** **Bb**  
A moment in a million years  
**Bb** **Cm**

Is all I ve got for you  
                  **G#**      **Bb**  
A moment in a million years  
**Bb**              **Cm**  
To make some dreams come true  
                  **G#**      **Bb**  
A moment that I won t forget  
**Bb**              **Cm**  
Until the day I die  
                  **G#**      **G**  
A moment in a million years  
              **Cm**  
Called life  
The bus is waiting right outside  
To hit the road and once again  
I leave you all behind  
I chase another dream tonight  
And by the time you ll be home  
I ll be far away  
Nothing seems to last forever  
It s time to go  
A moment in a million years  
Is all I ve got for you  
A moment in a million years  
To make some dreams come true  
A moment that I won t forget  
Until the day I die  
A moment in a million years  
Called life
