

Are You The One  
Scorpions

**Dm** **Gm**  
Another rainy morning,  
**C** **A7**  
People rushing by.  
**Dm** **Gm**  
My head is still in the clouds,  
**C** **A7**  
I dream with open eyes.

**Gm** **C7**  
Suddenly out of nowhere,  
**F** **Bb**  
She came into my life.  
**Gm** **C7**  
Like we ve known each other,  
**Bb** **C**  
For quite awhile.

**Em** **Am**  
In the sound of silence,  
**D** **Bm7**  
Time is standing still.  
**Em** **Am**  
There s kind of bond between us,  
**D** **Bm7**  
That s giving me the chill.

**Am** **D**  
And do you really wonder,  
**G** **C**  
That we can burn the sky?  
**Am** **D**  
It s written a thousand years ago,  
**C** **D**  
In the Book of Life.

**Em** **Am**  
Are you the One?  
**D** **Bm7**  
That God have made for me.  
**Em** **Am**  
Are you the One?  
**D** **Bm7**  
Who s always in my dreams.  
**Bm7** **Am**  
The one who keeps me going,  
**C** **D**

When I can't go on.

**Bm7**

**Am**

The one that I've been waiting for,

**C D**

For so long.

**Em Am D Bm**

Oooooooooohhhhhhhhhh

**Em Am D Bm**

Yeaahhhhhhhhhhhhhhhhhh

**Am D**

Suddenly out of nowhere,

**G C**

She came into my life..

**Em Am**

Are you the One?

**D**

**Bm7**

That God have made for me.

**Em Am**

Are you the One?

**D**

**Bm7**

Who's always in my dreams.

**Em Am**

Are you the One?

**D**

**Bm7**

That God have made for me.

**Em Am**

Are you the One?

**D**

**Bm7**

Who's mine eternally.

**Bm7**

**Am**

The one who keeps me dreaming,

**C D**

When I'm sad and tired.

**Bm7**

**Am**

Who gives my life a meaning,

**C D**

Untill the day I'll die.

**Em Am D Bm7 (slow)**

Are you the One?

**Em**

Are you the One?
