## Believe In Love Scorpions

G#5

Oh I miss you I miss you

G#5

| This is ZIAD BEYLOUNI from I<br>*I wanted to play this song |                         |                       | on the   |
|---|-------------------------|-----------------------|----------|
| net so  |                         |                       |          |
| I decided to transcribe this                                | incredibly beautiful    | song performed by the | <u> </u> |
| greatest band   |                         | * h 1 1               | .1       |
| ever. The scorpions are not time                            | just a big famous band  | they live in us all t | cne      |
| CIME  |                         |                       |          |
| BELIEVE IN LOVE:  |                         |                       |          |
| 36-   | 4                       | 3                     | 3        |
|   |                         |                       |          |
|   | 8                       | 83                    | б        |
| 6-4-  |                         |                       |          |
| 54  | 8                       | -8                    |          |
| <br>58  | 88                      | 5                     | -5       |
| <br>-38   | - 6                     |                       |          |
| 65  |                         |                       |          |
| 6   |                         | 3                     |          |
| -3  |                         |                       |          |
| How does it feel babe to                                    | play sweet revenge do   | you want me on my     | knees    |
| How does it feel babe to le                                 | t me feel your strength | h don t be cruel can  | t you    |
| see   |                         |                       |          |
|   |                         |                       |          |
| *DISTORTION:  |                         |                       |          |
|   |                         |                       |          |
| G#5   | A#5                     |                       |          |
| If you don t catch me now                                   |                         |                       |          |
| _   |                         |                       |          |
| G#5   | A#5                     |                       |          |
| I can t stop falling down                                   |                         |                       |          |
|   |                         |                       |          |
| G#5   | A#5                     | C5                    |          |
| Just one more night and the                                 | devil s got my soul     |                       |          |
|   |                         |                       |          |
| G#5   | A#5                     | C5                    |          |
| I need your love babe don t                                 | leave me this way       |                       |          |
|   |                         |                       |          |
|   |                         |                       |          |

Eb5 Bb5 C5

Babe our love s got what it takes

G#5 A#5 Eb5 C5 Bb5 C5

To give us one more chance to start once again

Eb5 Bb5 C5

Babe our love will find a way

G#5 Bb5 C5

as long as we believe in love

\*Play the intro 2 times. The second times play it like this

\*the same arpegio and chords continue

how does it feel babe
to kill our destiny
I swear I m not gonna crawl oh no
How does it feel babe
To make a fool out of me
How can you be so cold, be so cold
if you don t catch me now.....

\*the rest of the song continues as before it s an easy song but so beautiful and got so very deep lyrics enjoy it...and long live the SCORPIONS
