

**Dreamers**  
**Scorpions**

**C#m**                      **B**  
There s a place I know so well

**A**                      **G#m**                      **F#**  
Behind closed eyes, there s a pearl inside a shell

**C#m**                      **B**  
From time to time, I come to see

**A**                      **G#m**                      **F#**  
If this world still has a place for me

**A**                                      **B**  
When I put my head to sleep

**A**  
Take the rest my body needs

**B**  
That s the time my mind is up and away

**C#m**                      **B**  
We are dreamers, all of our lives

**A**                      **G#m**  
We are dreamers, your dream will be mine

**F#**                      **D**                      **A**                      **B**  
Forever, dream on dreamer

**C#m**                      **B**  
It doesn t matter where you re from

**A**                      **G#m**                      **F#**  
The door is open all the time for everyone

**C#m**                      **B**  
There s a place I know so well

**A**                      **G#m**                      **F#**  
Will I find you, only time will tell

**A**                                      **B**  
Well it s been a long, long time

**A**  
Since I ve seen that state of mind

**B**  
Right now my friend, I m up and away

**C#m**                      **B**  
We are dreamers, all of our lives

**A**                      **G#**  
We are dreamers, your dream will be mine

**F#**                      **D**                      **A**                      **B**  
Forever, dream on dreamer

**C#m**                      **B**

We are dreamers, that s what we are

**A G#m**

We are dreamers, always light years apart

**F# D A B**

Forever, dream on dreamer
