

Edge Of Time
Scorpions

Introducción: Em Am D7 G F# E D Em Am D7

Em Am D
Only the Lord knows the answer,
Em Am D
To the mess this world is in.
Em Am D
At the end of the rainbow,
Em Am D
We're scared to death once again.

Em Am D
Life's getting shorter every hour,
Em Am D
It keeps on feeding in my face.
Em Am D
Why can't we stop the evil power,
Em Am D
That will kill the human race?

G D
Right, baby don't cry
Em
Keep on dancing tonight
D
On the edge of time

Em Am D
Only the Lord knows the answer,
Em Am D
To the mess this world is in.
Em Am D
This place has turned into Atlantis,
Em Am D
And it's already started to sink.

Em Am D
Life in the fast lane,
Em Am D
Has turned into a dead end street.
Em Am D
Let's turn the wheel back to the future,
Em Am D

Let s use the power of our dreams.

G **D**
Right, baby don t cry

Em
Keep on dancing tonight

D
On the edge of time
