With gold cards in motion
Bm
And the platinum too
A E
She jets across the ocean
Bm
A little faster than you
C# F#m
But when it rains in St. Barth
D
Life ain t too much fun
Bm C#m

A

But the tears wouldn't come

Bm C#m

I wanted to cry

A

But the tears wouldn't come

C# F#m

Every night without you

Bm E

I miss to have you by my side

C# F#m

Ohh, so I keep waiting, I keep waiting

D E

I swear I never let you go again

Well here comes my baby
With a Brad Pitt lookalike
Right through immigration
And straight out of my life

Well it seems the friendly skies
Are pretty good fun
I wanted to cry
But the tears wouldn't come

I wanted to cry
I wanted to cry
I wanted to cry
But the tears wouldn't come
