F#m **Em**

F#m **Em**

Leaves are falling from the tree

F#m **Em**

More than anything I want to be

F#m **Em**

Close to you back in your arms

A **D**

I swear I m still in love

Dm

Don t say a word just wait

Am

As the bell will ring across the street we know

Cm

Gm

Those memories never go

Bm **F** (one upstroke)

Leaves are falling from the sky

F#m **Em**

Why don t we give it just another try

F#m **Em**

When the winter comes along

A **D**

The shadows will be gone

Dm

The ice will melt away

Am

cause in front of the old fire, place is warm

Cm

Gm

Oooh, welcome home

Bm

F (one upstroke)

Let me take you back again

C

G

To a love has got a name

Am

For you and me

G

Another day another chance

C

G

Only love will kill the pain

Am

That hurts so deep

G

Don't waste a moment of your life

F

G

cause it's just a kiss of borrowed time

Dm

C

Bm

Am

G

SOLO CHORDS: same as during the verse

Let me take you back again

C

G

To a love has got a name

Am

For you and me

G

Another day another chance

C

G

Only love will kill the pain

Am

That hurts so deep

G

And we taste the wine

F **Dm**

Just another sip of borrowed time

Em C Bm Em D

E N J O Y !
