

Life Is Too Short
Scorpions

Tuning:**E**

[Intro]

F#m E (A E F#m)

[Verse]

F#m

Have you ever seen the morning

E

When the sun comes up the shore

F#m

And the silence makes

E

A beautiful sound

F#m

Have you ever sat there waiting

E

For the time to stand still

F#m

For all the world to stop

E

From turning around

A

And you run

E

F#m

Â'Cause life is too short

A

And you run

E

F#m

Â'Cause life is too short

F#m

Have you ever seen the glowing

E

When the moon is on the rise

F#m

And the dreams are close

E

To the ones that we love

F#m

Have you ever sat there waiting

E

For heaven to give a sign

F#m

So we could find the place

E

Where angels come from

A

And you run

E F#m

Â'Cause life is too short

A

And you run

E F#m

Â'Cause life is too short

A

And you run

E F#m

Â'Cause life is too short

A

And you run

E F#m

Â'Cause life is too short

D

ThereÂ's a time that turns

A

IÂ'd turn back time

E F#m

But I donÂ't say I can

A

E

It only works if you believe in the truth

D

Well thereÂ's a time to live

A

And a time to cry

E F#m

But if youÂ're by my side

A

I will try to catch a star

D

IÂ'll try to catch a star

E

Just for you

A

And I run

E F#m

Â'Cause life is too short

A

And I run

E F#m

Â'Cause life is too short

A

And I run

E F#m

Â'Cause life is too short

A

And I run

E F#m

Â'Cause life is too short
