**G#m** **D#m**  
There was a time when we sailed on together  
**D#7** **G#m**  
once had a dream that we shared on the way  
**E** **B**  
there was a place where we used to seek shelter  
**C#m** **A** **D#**  
I never knew the pain of the price I would pay  
**G#m** **D#m**  
You led me on with a cloak and a dagger  
**D#7** **G#m**  
and I didn't know you had made other plans  
**E** **B**  
and had me believe we were meant for forever  
**C#m** **A** **D#**  
I really thought my heart would be safe in your hands

**G#m**  
Lorelei  
**E** **B**  
My ship has passed you by  
**C#m**  
and though you promised me to show the way  
**D#**  
you led me astray  
**G#m**  
you were my lorelei  
**E** **B**  
what kind of fool was I  
**C#m**  
cause I believed in every word you said  
**D#**  
and now I wonder why  
**G#m**

**G#m** **D#m**  
There was a time when we held one another  
**D#7** **G#m**  
Bearing our souls in the light of the flame  
**E** **B**  
Those were the days now I've lost my illusions

**C#m** **A** **D#**  
Sometimes I wake in the night and I call out your name
