Scott James

[Verse 1]

A **Bm**
Forgive me for turning
A **E Dm D**
I sleep on my side
Em D
So I need to switch
E
From time to time
A **F#**
Still I try to stay
A **F#**
Facing your way
Bm **E**
Till you whistle your breaths
Bm **B**
You won't hear the change

[Chorus]

A **E** **A**
What did you do to me?
E **A**
What did you do to me?
D **E** **Bm**
What have you done to me?

[Verse 2]

A **Bm A**
Remember it better
Bm
And the last time I did
D **Em D**
I saw the reflection
E
In the coin that you flipped
A **F#**
An impulse like that
A **F#** **Bm**
Would come from the spine
E **Bm**
And without a stutter
B
I pushed you aside

[Chorus]

A **E** **A**
What did you do to me?

E
What did you do to me?

D **Bm** **E** **Bm**
What have you done to me?
