[Verse 1]

C#m

B

Well Iâ€™m the kinda man who likes his hands on an old guitar

C#m

B

Or underneath the hood of a broken down, beat up car

G#m

If something goes wrong I know how to fix it

F#

Up right and get down to business

[Chorus]

E

Hands on, girl Iâ€™m all about it

B

F#

Baby touch by touch, you can tell me about it

E

Fingertips feeling your heart pounding

B

F#

Wrap my arms around you, layin you down

G#m

F#

E

D#m

Just show me where it hurts, baby let me get to work and I can make it alright,
all night

C#m

B

Lights off, hands on

C#m

B

Hands on

[Verse 2]

C#m

B

Baby this worldâ€™s always gonna find a way to stress you out

C#m

B

For the fast-paced rat race headache city sounds

G#m

And I knew by the way that you kissed me

F#

That you needed more than a whiskey

[Chorus]

E

Hands on, girl Iâ€™m all about it

B

F#

Baby touch by touch, you can tell me about it

E

Fingertips feeling your heart pounding

B

F#

Wrap my arms around you, layin you down

G#m

F#

E

D#m

Just show me where it hurts, baby let me get to work and I can make it alright,
all night

C#m

B

Lights off, hands on

C#m

B

Hands on

[Bridge]

C#m G#m

E

G#m

C#m

Baby anytime you need a little TLC just come on over to me

[Chorus]

E

Hands on, girl Iâ€™m all about it

B

F#

Baby touch by touch, tell me about it

E

Fingertips feeling your heart pounding

B

F#

Wrap my arms around you, layin you down

G#m

F#

E

D#m

Just show me where it hurts, baby let me get to work and I can make it alright,
all night

C#m

Lights off, so turn them lights off

B

Hands on

C#m

B

Hands on

C#m

B

C#m

B

Ooooooh, hands on

[Outro]
