

Lights Of Cincinnati
Scott Walker

Lights of Cincinnati

Intro: **F Bb F Bb**

F **Gm**
I remember still, I guess I always will
C7 **F**
That winters day I took the west bound flight,
C7 **Am**
As I looked down from the plane you were standing in the rain,
Bb **Dm** **D#** **C**
You waved goodbye till I was out of sight.

Chorus:

F **C** **Bb** **Bb6** **F**
And I can see them shining through the willows and the pines,
Bb **Am7** **Bbmaj7** **F**
The lights of Cincinnati, oh, so many miles behind,
Bbmaj7 **F** **Am7** **Bb**
I could build myself a new life and make it on my own,
F **C** **Bb** **Bb6** **F**
But the lights of Cincinnati will keep calling me back home.

Sometimes late at night I watch the fire light
Make pictures of a life that used to be,
For a moment I m back there in that same old rocking chair,
You look across the room and smile at me.

Chorus
