N.C.                    **E**  
Wasn t it a good year?  
**F#m7**                    **E**  
Wasn t filled with talking  
**Bmaj7**                    **E**                    **Bmaj7**                    **E**  
It still moves through my heart from time to time  
**Bm7**                    **E**  
City after city  
**F#m7**                    **E**  
Granite grey as morning  
**Bmaj7**                    **E**                    **Bmaj7**  
Heroes died in subways left behind

                                 **Fmaj7 Dmaj7sus2**  
I didn t feel like me
