The Girls And The Dogs

**G** **Gmaj7**  
The girls are as fast as a game  
**G6** **Am**  
Are as bright as a flame and you re always to blame  
**Am7**  
The girls are as pink as the light  
**Am6** **Bb**  
And as dark as the night and they re always right

**Bb** **Bbmaj7**  
The girls are as cold as the sphinx  
**Bb6** **Cm**  
Always dreaming of minks, they drive you to drink  
**Cm7**  
The girls are as soft as a sigh  
**Cm6** **D**  
That whispers good-bye and leaves you to cry

**Em7** **A**  
But the dogs, well, they re only dogs  
**Em7** **F#m**  
Just wagging their tails as they watch it end  
**Em7** **A**  
Oh, the dogs, well, they re only dogs  
**A7** **D**  
And maybe that s why they re man s best friend

The girls can make you feel cold  
Can make you feel old, an antique to be sold  
The girls they play with your heart  
They tear you apart, you re never too smart

The girls they throw you from towers  
They ll whip you with flowers it depends on the hours  
The girls eill treat you like trash or let you be brash  
It depends on your cash

But the dogs don t depend on a thing  
They just lick your face when they see it end  
Oh, the dogs don t depend on a thing  
And maybe that s why they re man s best friend

The girls you know that they are vain  
They will poison your brain, they will drive you insane  
The girls will laugh at your jokes

How they love the coat on (???) but it is all a hoax  
The girls are still making dates  
They still making you wait and they say you are late  
The girls are yours for a throw (?)  
At least you think so, ah but you will never know

The dogs, well you know the dogs  
They lift up a leg as they see it end  
The dogs well you know the dogs  
And maybe that s why they re man s best friend

The girls they re not what they seem  
They all have a scheme, they call it a dream  
The girls are as hot as they please  
And you re down on your knees with the greatest of ease

The girls say you re on the right track  
Then they take it all back, tie it up in a sack  
The girls they will give it of course  
But they give with such force that it gives you remorse

But the dogs they give nothing at all  
They just lift a leg as they watch it end  
Oh, the dogs, they give nothing at all  
And that s the reason why they re man s best friend

**Em7** **Bm** **C**  
And yet it s because of the girls when they ve knocked us about  
**G Gmaj7 G6 G7 G G7 G**  
And our tears want to shout that we kick the dogs out
