I m a little bit ball cap

**B**

**E**

Little bit a pearl snap button down shirt

**B**

Little bit a big city concrete

**E**

But a lot more small town dirt

[Pre-Chorus]

**G#m**

I can see your pretty eyes

**E**

Reading me like a map

**G#m**

Wondering who I am

**E**

And where I m at

[Chorus]

**B G#m**

I m in between

**F#**

Friday night wild

**E**

And quiet Sunday morning

**B G#m**

Between

**F#**

Done after one

**E**

And keep on pouring

**B**

Ain t too high

**G#m**

Ain t too low

**F#**

Just holding down the middle

**E**

I m steady as I go

**G#m**

I ain t all holy water

**F#**

**E**

And I ain t all Jim Dean

**E**

I m somewhere in between

[Instrumental]

**B E**

[Verse]

**B**

I can be a steel toe work boot

**E**

40 hour blue collar, mud on my jeans

**B**

Then on weekend pack a bag

**E**

Disappear kick it back on a white sand beach

[Pre-Chorus]

**G#m**

I m a far cry from being

**E**

A one night stand

**G#m**

But I ain t ready

**E**

For a ring on my hand

[Chorus]

**B G#m**

I m in between

**F#**

Friday night wild

**E**

And quiet Sunday morning

**B G#m**

Between

**F#**

Done after one

**E**

And keep on pouring

**B**

Ain t too high

**G#m**

Ain t too low

**F#**

Just holding down the middle

**E**

I m steady as I go

**G#m**

I ain t all holy water

**F#**

**E**

And I ain t all Jim Dean

**E**

I m somewhere in between
