

See You Tonight
Scotty McCreery

Easy song, the chords are off on the words, just feel the rhythm and the strumming pattern and it all flows. These are the right chords though. It just repeats G,D,Em,C throughout the whole song
Enjoy!

On the intro for the sliding part between the G and D, play G, then on the 2nd fret slide the G string up to the 4th then come back and play the D. Do the same before switching to the Em as well.

****CAPO ON 2****

[Intro] **G, D, Em, C x2**

[Verse]

G **D** **Em** **C**
Girl you know I love talking to you on the phone
G **D** **Em** **C**
And I could listen to your sweet voice all night long
G **D** **Em** **C**
Sometimes I can get by, with a sweet dreams baby good night,
G **D** **C**
But this time, well I don't wanna spend it alone

[Chorus]

G **D**
So I'm coming over, I hope it's alright
Em **C**
Listen for me pulling into your drive
G **D**
Look out your window, you'll see my lights
Em **C** **G**
Baby girl I gotta see you tonight
G **D**
The way the breeze is blowing, blowing
Em **C**
Got me wishing I was holding, holding
G **D** **Em**
Holding you so tight under that porch light
C **G** **D** **Em**

But girl I gotta see you tonight, tonight, tonight
C G D Em
Girl I gotta see you tonight, tonight, tonight, yeah

[Verse]

G D Em C
Got a couple hundred pictures of your beautiful face
G D Em C
On my phone, on my dash, all over the place
G D
But I would drive a million miles
Em C G
Just to see your little smile in real life
D Em
And baby it s worth the drive,
C
You re worth the drive

[Chorus]

G D
So I m coming over, I hope it s alright
Em C
Listen for me pulling into your drive
G D
Look out your window, you ll see my lights
Em C G
Baby girl I gotta see you tonight
G D
The way the breeze is blowing, blowing
Em C
Got me wishing I was holding, holding
G D Em
Holding you so tight under that porch light
C G D Em
But girl I gotta see you tonight, tonight, tonight
C G D Em
Girl I gotta see you tonight, tonight, tonight, yeah

[Verse]

G D
Baby I don t care what time it is,
Em C
I just gotta get a little moonlight kiss
G D
Girl I can t help it when I feel like this
Em C
There s only one thing to do

C

Baby I m missing you

[Chorus]

GG

D

So I m coming over, I hope it s alright

Em

C

Listen for me pulling into your drive
