I played it by ear so if you have any suggestions on how to make it better, tell

The capo can vary based upon your voice.

However, CAPO 3 is good for me. Enjoy!

But then you call me up, say you re not gonna make

it, cause you ve been held up

F **C**
And my suspicions arouse and I know you re faking it,

Am **F**

Sexy weekends lately, all on my own,

C **Em** **Am** **F** **C**

(SAME CHORDS CONTINUE THROUGHOUT SONG)

Well I might as well make the best of this situation while I m here

As I hug on my pillow and I sip on my beer,
No I haven t had this much fun, stalking on Facebook before
And I m beginning to hit bull s eye on that picture
of you I put up by the door
Yeah, your absence has made it clear, you don t wanna be here
Yeah, despite all the tears I ve cried, I m having a good time, enjoying a

Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own

Yeah

Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,
Sexy weekend lately, all on my own,

C* Em* Am* F* C* (fade out)

Sexy weekend lately, all on my own
