

Do You Wanna Be Buried With My People
Scout Niblett

Am G Am G
Sometimes I m tossed & driven
Am G Am G
& sometimes I don t know where to roam
Am G Am G
but I ve heard of a city called Heaven
Am G Am G
& I ve started to make it my home
Am G Am G
Oh soon I ll reach the glory
Am G Am G
where mortals no longer complain
Am G Am G
& there s a ship that s coming to take me
Am G Am G
& the captain is calling my name

A
Do you wanna be buried with my people, dear
D A
was the look in his eyes
A
We can rest our bones side by side
D A
in the dirt of yonder high

A D A
& it s so fun to see me being me alongside you
A
& that s how I knew the answer dear
D A
to the look I got from you

A D A
I d nearly given up dear with all my fantasies
A D A
& then you come & crossed my path, & so here we be
A D A
& how the hell did I live this long without you by my side
A D A
Can I believe it s you I ve sensed & sung to all my life
A D A
Arms that held me never worked before until I was held by you
A D A
with a grip so still & charged, oh, coo coo coo coo

A D A

& finally it came around inviting us to play

A

There s nothing as scary as a divine plan
