

Love How It Hurts
Scouting for Girls

The song is recorded in between two keys (**C#** and **D**), so playing along with the song sounds weird.

Verse **C# - Bbm - G# - F#**

I've been waiting, all my life
For someone like you to come mess with my life
Someone crazy, someone who
Is someone who'll love me the way I loved you
I keep searching, and what's worse
Now that you've gone all that's left is the hurt

Bridge **C# - Bbm - G# - F#**

Three little words, that's all that I've got
Three little words like it or not

Chorus **Bbm - F# - C# - G#**

Tell me you noticed, tell me you heard
For you I'd have run to the ends of the earth
I couldn't keep you, but I'll keep my word
It's the most beautiful pain in the world,
F#
I love how it hurts

Verse I've been trying, since you left
Trying to fix all the bits that you wrecked
I'm just waiting, till it mends
Then I'll let you break it again and again

Bridge

Chorus

Middle **F# - G# - F# - G#**

I've been losing my mind, I pretend that it's fine
Trying to keep it together while I crumble inside
You got a friend at the end of the line

Chorus 2 Give me the moment, give me the chance
I'm lost in the hurt, I'm caught in the past
Give me the moment, give me the chance
Give me the hurt, I know it can last

Chorus

Outro **F# - C# - Bbm - G#**
