

**Millionaire Acoustic**  
**Scouting for Girls**

I watched them playing a live acoustic version of the song and these are the  
cords I  
worked out. First tab so I hope it isn't too bad, all corrections welcome. :)

Capo on 7

Intro: **C,G,F,G,Cx2**

(**C**)                      **G**                      **F**  
The best things in life don't come with a price  
                                 **G**                      **C**  
Forget what they say cause I know they ain't right  
(**C**)                      **G**                      **F**  
All that I need is you  
                                 **G**                      **C**  
It is you it is you it is you

(**C**)                      **G**                      **F**  
A walk in the park, a kiss in the dark  
                                 **G**                      **C**  
The way she looks back every time that we part
