Take A Chance - Scouting For Girls

Album: Everybody wants to be on TV
tabbed by: Vlaxx

Standart Tuning

These Chords fit to the live version of this song, the album edit has got a very strange tuning, thats a pitty. But obviously this tab is correct.

Intro : **A# F Gm D#**

VERSE:

A# **F**
Take a chance, before it s gone
Gm **F**
Throw me a rope or string me along
D# **F**
I m nothing without you, this man is nothing without you
A# **F**
I know it s been a difficut year
Gm **F**
It s been all I can do just to keep you near
D# **F**
I want you to know you re the star of my show

PRE-CHORUS:

D# **A#** **F**
I sing these songs about you
D# **A#** **F**
It wouldn t be the same without you
D# **A#** **F**
I know you try to hide, I know you try to act tough

CHORUS:

A# **F** **Cm**
But take a chance on us (take a chance on us, take a chance on us)
D# **A#**
Throw your arm round love (don t give me up)
F **D#** **A#**
Let it pull you up tonight, take a chance on us tonight

But take a chance on us (take a chance on us)
But I won't give us up (don't give me up)
Take a chance on us tonight, take a chance on us tonight

INTERLUDE: A# F Gm D#

VERSE

I always thought that we could make it through
If you gave me the chance, I always knew
I don't care what they say, you were mine all the way
And thought it seems like it's pouring again
You don't get flowers without no rain
Look what we've done, look how far we have come

PRE-CHORUS:

I sing these songs about you
It wouldn't be the same without you
I know you try to hide, I know you try to act tough

CHORUS:

But take a chance on us (take a chance on us, take a chance on us)
Throw your arm round love (don't give me up)
Let it pull you up tonight, take a chance on us tonight

But take a chance on us (take a chance on us)
But I won't give us up (don't give me up)
Take a chance on us tonight, take a chance on us tonight

INTERLUDE: A# F Gm D#
