## Acordesweb.com

## Closer

## Screaming Trees

This is my first tab here, and this is the easiest way I find to play this song. Sorry

if there is any mistake.

Tuning: STANDARD

E A G E

Histories are held within your heart so let it go

E A G E

Open all the doors around your eyes and let us know

E A G E

Certain keys were held within your hand so let it show

D A E

Bring us closer to the flame

) A E

Bring us closer to the fire

D A I

Where s the spark within your eye

G E

Where is the spark

**E A G E** (x2)

E A G E

Thunder in your ears until you can t hear this at all

E A G E

Rivers flow in tears until your destiny s dissolved

E A G E

Drifted through the years until a voice receives your call

D A E

Bring us closer to the fire

D A E

Bring us closer to the flame

D A E

The end and beginning are the same

G E

It s all the same

 $\mathbf{D} \mathbf{A} \mathbf{E} \mathbf{E} (x4)$ 

E A G E

Mysteries are kept within your heart so let it show

E A G E

Certain keys were held until they must have let you go Α Bring us closer to the flame Bring us closer to the fire Α This world can t take us any higher Α Bring us closer to the, bring us closer to the fire D A Oh yeah yeah, higher and higher and higher Α but higher and higher and higher Bring us closer to, bring us closer to the fire D Oh yeah yeah, oh yeah, no you can t, higher and higher and higher Bring us closer to, bring us closer to the fire Α oOOh yeah, oh yeah, oh yeah Α oOOh yeah, oh yeah, oh yeah Bring us closer to the, bring us closer to the

Open all the doors around your eyes and let us know
