It s a broken morning outside

Go easy on my mind

Cause you re this dream I m hanging on

And I m tryin to meet the dawn

And the longest way I traveled

From the darkness to the light

Lord it s been a million miles

A# C E

In these prisons I can t abide

I m half way here, I m half way there

I m half way here, I m half way there

I m half way here, I m half way there

All along I ve been the traveler, yeah

Forever out of time

Forever just unwinds

I see the green beyond the blue

And I m trying to make it through

A# A E

And the longest way I traveled

From the darkness to the light

Lord it seems a million miles

A# C E

All my brothers I can t unbind

C A

I m half way here, I m half way there

I m half way here, I m half way there
I m half way here, I m half way there
Oh Lord I been the traveler, yeah

From the darkness to the light
